Eligibility:

All Castle Cove residents who have paid their current neighborhood association annual dues are permitted to use the pool. Guests of Castle Cove residents are welcome at the pool provided their Castle Cove host always accompanies them.

Pool Code:

Entrance to the pool is by an electronic lock. Each residence has its own 4-digit pool code that may be obtained from a Board member. ***We ask that you do not share your code with anyone and that you do not let anyone "piggyback" through the gates with you except for your non-resident guests*** (other residents are not guests, they must use their own code). Your code opens both the restroom gate and the tennis gate. The locks record the date and time every code is used. The residents are responsible for the condition of the pool area and the tennis court when your code is used to unlock the gate. Misuse of your code may result in denied access.

Age Restrictions:

Children less than 13 years old must be accompanied by an adult during GUARDED swimming times. Children less than 16 years old must be accompanied by an adult during UNGUARDED swimming times.

Use caution and swim at your own risk.
